

YOUTH SPORTS SPONSORSHIP OPPORTUNITIES

Catoosa County Parks and Recreation appreciates your interest in becoming a sponsor. CCPRD is excited to provide youth sports programs to the community at a low cost. We have cut the youth sports registration costs nearly in half! Prices range between \$25.00 and \$50.00. Our programs directly reach over 700 athletes and indirectly thousands of family, fans, and friends. Providing quality recreational programs to meet the needs and expectations of Catoosa County residents requires a great deal of attention. We're hopeful to gain additional support from local businesses and individuals to make this the best program!
